

GHOST

By Seren Best

I was dead once,
I was alive.
I used to swim in the sea,
I used to drink tea,
Now I am lonely.

I am an unwanted shadow,
I am unseen.

I used to feel the air on my skin,
I used to smell the freshly cut grass.
I used to hear the birds tweet.
I used to see the sun,
And now I have no-one.

I am a shadow,
I am unseen.

I was innocent.
I was a victim.
